Here is what LSA readers told us recently...

“It happens to be one of my favorite magazines for many years. Even in these very challenging times that we are living in, it is always so refreshing to hear about all the technical updates and info in our industry as well as what is going on in terms of reopening across the country.”

“You have made an amazingly visual and informative periodical!”

“I love LSA magazine and I use it to teach theatre in many different areas. I encourage them to read it and in fact assign some classes to read three or more articles and report on them. That way, I learn more too.”

“I get too much to read. But every time I open your publication, I find it worthwhile.”

“I definitely want to continue receiving LSA. I read it cover to cover every month. You all do a great job with it. You’ve done especially well at continuing to publish high quality material during this devastating pandemic.”

“LSA is the BEST! I am very grateful for all you do for our industry and community, thank you so much.”

“We love LSA magazine in our office.”

“LSA is even more important when it is still difficult to get around to see what others are doing.”
