

EXPO-SCÈNE 2022:

Canada's leading entertainment technology show returns!

IT'S NO SECRET that the past two years have been a challenging time for the entertainment industry in Canada and around the world. The impact of the pandemic on our personal and professional lives has been unprecedented. None of us have escaped the pain of cancelled events and closed venues.

As the pandemic forced the cancelling of our flagship event EXPO-SCÈNE both in 2020 and 2021, it is safe to say that CITT/ICTS will finally be able to hold the 2022 edition! With the implantation of vaccine passports as well as essential COVID-19 public sanitary measures in place, the in-person event will be held safely at the Palais des congrès de Montréal on April 13 – 14, 2022.

“... it is safe to say that CITT/ICTS will finally be able to hold the 2022 edition!”

Since its creation in 2015, EXPO-SCÈNE has proven to be a very successful mix of trade show, lively demo rooms, educational TEC Talks, hands-on training, and exceptional networking opportunities. As we are planning the 2022 edition, there is one clear goal in mind: ensure that this long-awaited reunion lives up to the expectations!

With a growing line-up of leading industry exhibitors, we can already promise our visitors a quite exciting trade show floor that will once again showcase the newest and most sought-after

technologies in pro audio, sound, lighting, video, AV integration, and multimedia. For more information about the exhibitors, please visit <https://bit.ly/3EigcVb>.

“ EXPO-SCÈNE has proven to be a very successful mix of trade show, lively demo rooms, educational TEC Talks, hands-on training, and exceptional networking opportunities. ”

True to CITT/ICTS's mission to promote professional development, our 2022 TEC Talks (Technology, Entertainment, Creativity) program is building up with a confident line-up of sessions that will bring together all professionals in attendance and stimulating the discussion around the latest and most relevant topics related to the entertainment industry. Learn more about the TEC Talks schedule and register for free here <https://bit.ly/3DcYq4L>.

EXPO-SCÈNE also offers a wide variety of sponsorships and advertising opportunities open to companies and organizations, exhibiting or not. It is a sure way to increase your visibility and reach within the industry while supporting CITT/ICTS's mission. For more information please visit <http://bit.ly/2QIJerl>.

If you're planning on attending EXPO-SCÈNE 2022 and are travelling to Montréal from outside the city, we are pleased to offer special rates at hotels near the Palais des congrès, as well as discounts on air travel with Air Canada and rail transport with Via Rail.
