"London has the best theatre, and Broadway used to have the best theatre technicians. Now I suspect we have the best of both worlds, and much of this reputation is down to one of our truly great unsung heroes: the prodigious Pilbrow."

by Michael Coveney

"THE ULTIMATE BOOK ON THE CREATIVE TEAM SIDE OF THEATRE"

The remarkable story of an upstart enterprise, Theatre Projects, that changed the world of theatre. Establishing the professions of stage lighting, sound design, and theatre consulting in Britain, Theatre Projects went on to revolutionize the design of theatres and concert halls in the United States and around the world.

THROUGH THE STAGE DOOR

A THEATRE PROJECT takes the reader through the stage door: sharing the thrills of lighting up the West End, Broadway, and the world, while exploring the birth of sound design in Britain.
